Experience

Diana Marshall has handled hundreds of cases as a trial attorney and tried over 100 cases to a jury verdict. Her experience covers a vast range of energy, contract, probate and partnership disputes. She has helped solve problems for individuals, small businesses, as well as the most complex major litigation. She brings her experience and continuing knowledge of the courtroom to her mediation practice – and she is an effective and hard-working advocate in behalf of a fair resolution. Ms. Marshall has handled environmental mediations that lasted for as long as 90 working mediation days and has been in demand throughout Texas and in other states. Ms. Marshall also serves as an attorney fee legal auditor and expert witness on lawyer ethics and duties.
